

## Retraction Note

### **Retraction Note: Study on the Adoption of Schwann Cell Phenotype by Bone Marrow Stromal Cells *in vitro* and *in vivo***

Retraction Note to: **Study on the Adoption of Schwann Cell Phenotype by Bone Marrow Stromal Cells *in vitro* and *in vivo*** (Biomed Environ Sci.2005 Oct;18:326-33). The authors have retracted this article (Zhao FQ, Zhang PX, He XJ, et al.) due to significant overlap with a previously published Chinese language article (Zhang PX, Jiang BG, He XJ, et al. Chinese Journal of Hand Surgery. 2004 Dec, 20: 200-202), including overlap in Fig 1, Fig 2, Fig 3, Fig 5. All authors agree with this retraction.
