

Regional Board Meeting, 2015

***The JOURNAL of BIOMEDICAL
RESEARCH***

Dr. Bo Cui
Executive Editor

April 1, 2015
Nanjing

Highlights-2014

- Timely journal publication
 - Original Articles,38
 - Reviewer Articles,11
 - Commentary, 2
 - Perspective, 6
 - Case Reports, 4
 - Letters to the Editor, 6

Highlights-2014

- **Increasing submissions in terms of countries and institutions**
 - Original Articles, 167
 - Reviewer Articles, 30
 - Commentary, 2
 - Perspective, 8
 - Case Reports, 20
 - Letters to the Editor, 11

- **Increasing submissions in terms of countries and institutions**

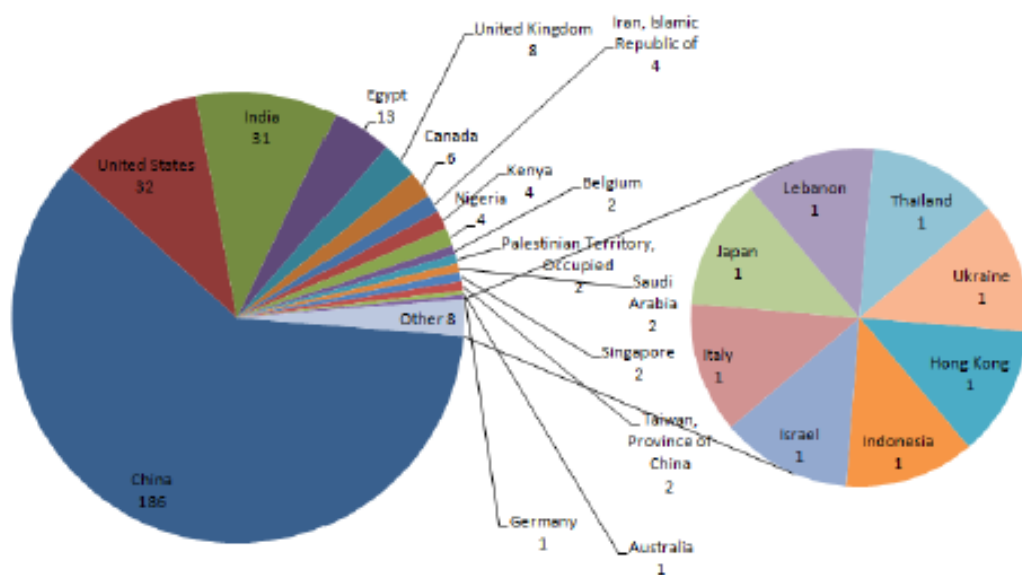

Highlights-2014

- Increasing submissions in terms of countries and institutions
 - Current rejection rate is 62%

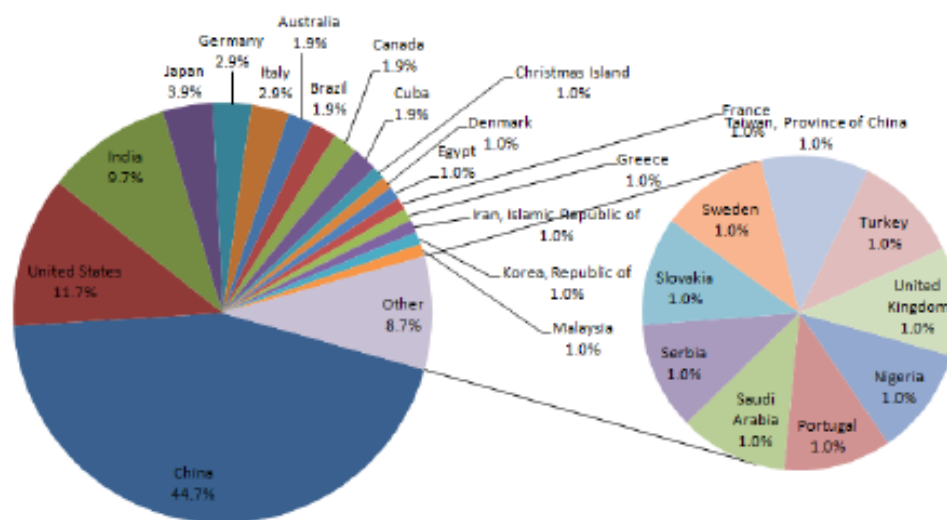

Highlights-2014

Submissions 2010-2.2015

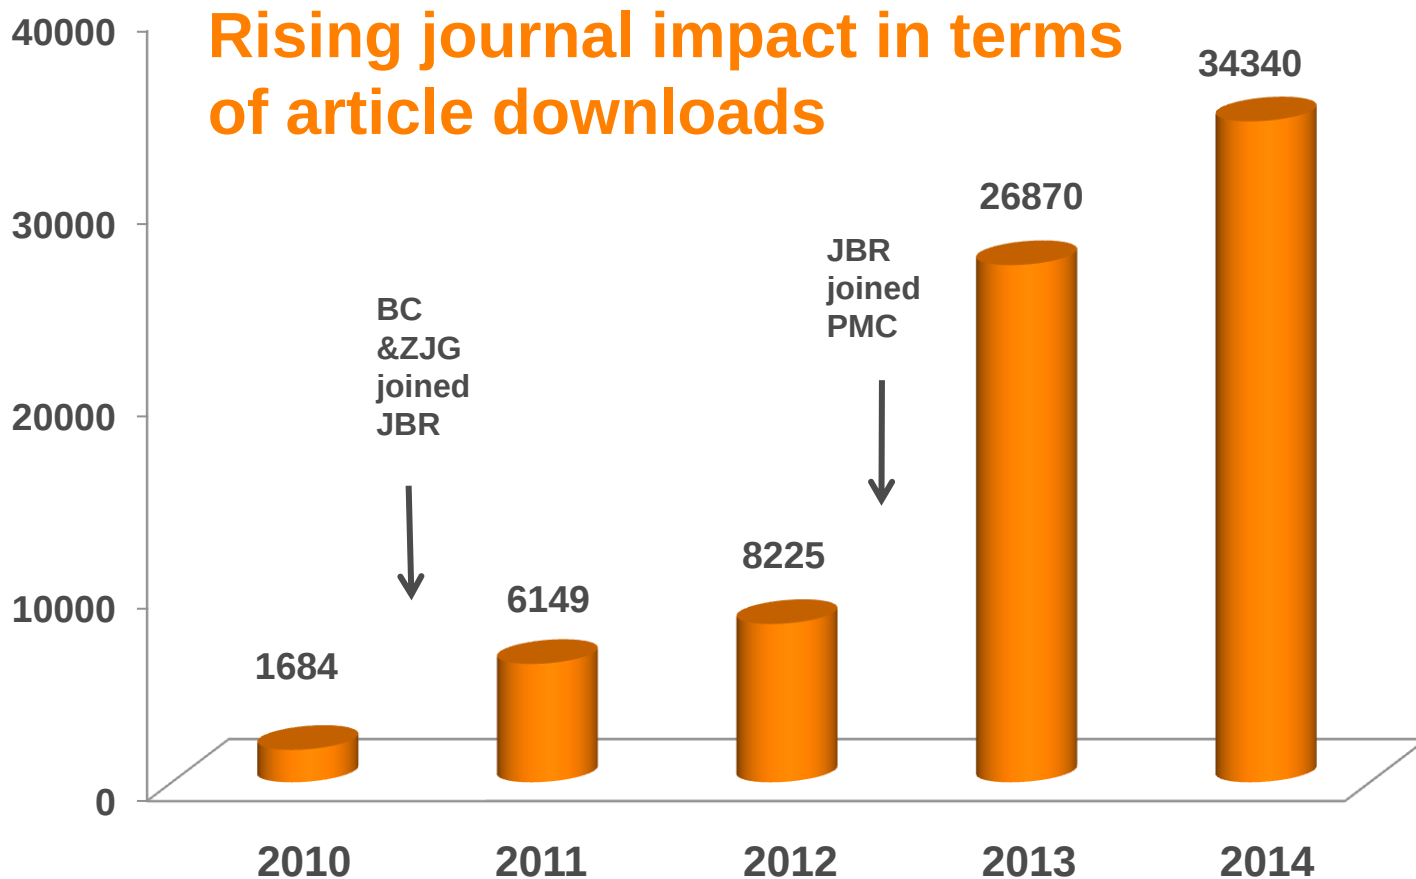

Highlights-2014

Reviewer distribution, 2014

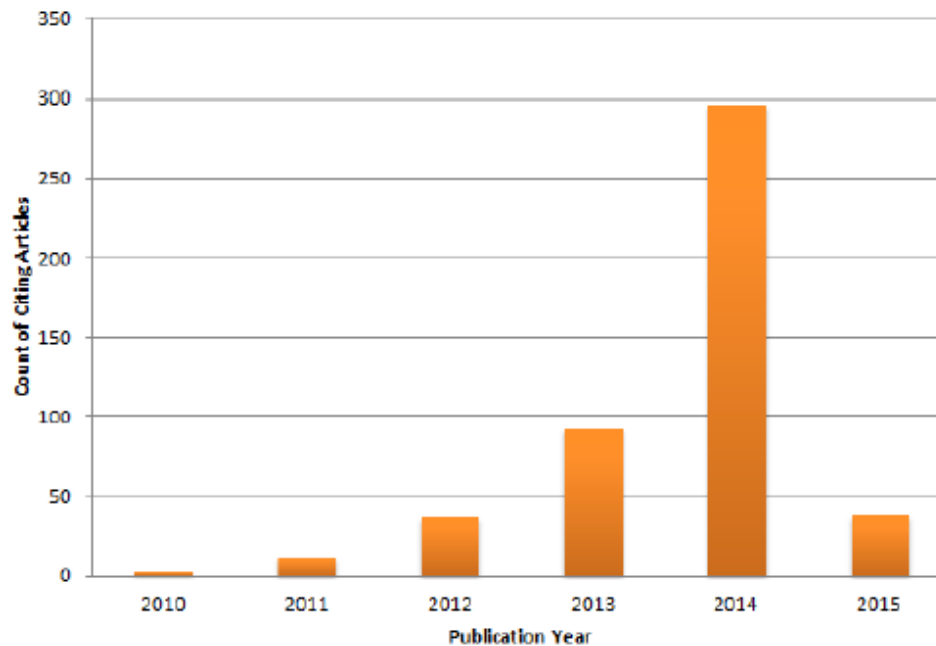

Highlights-2014

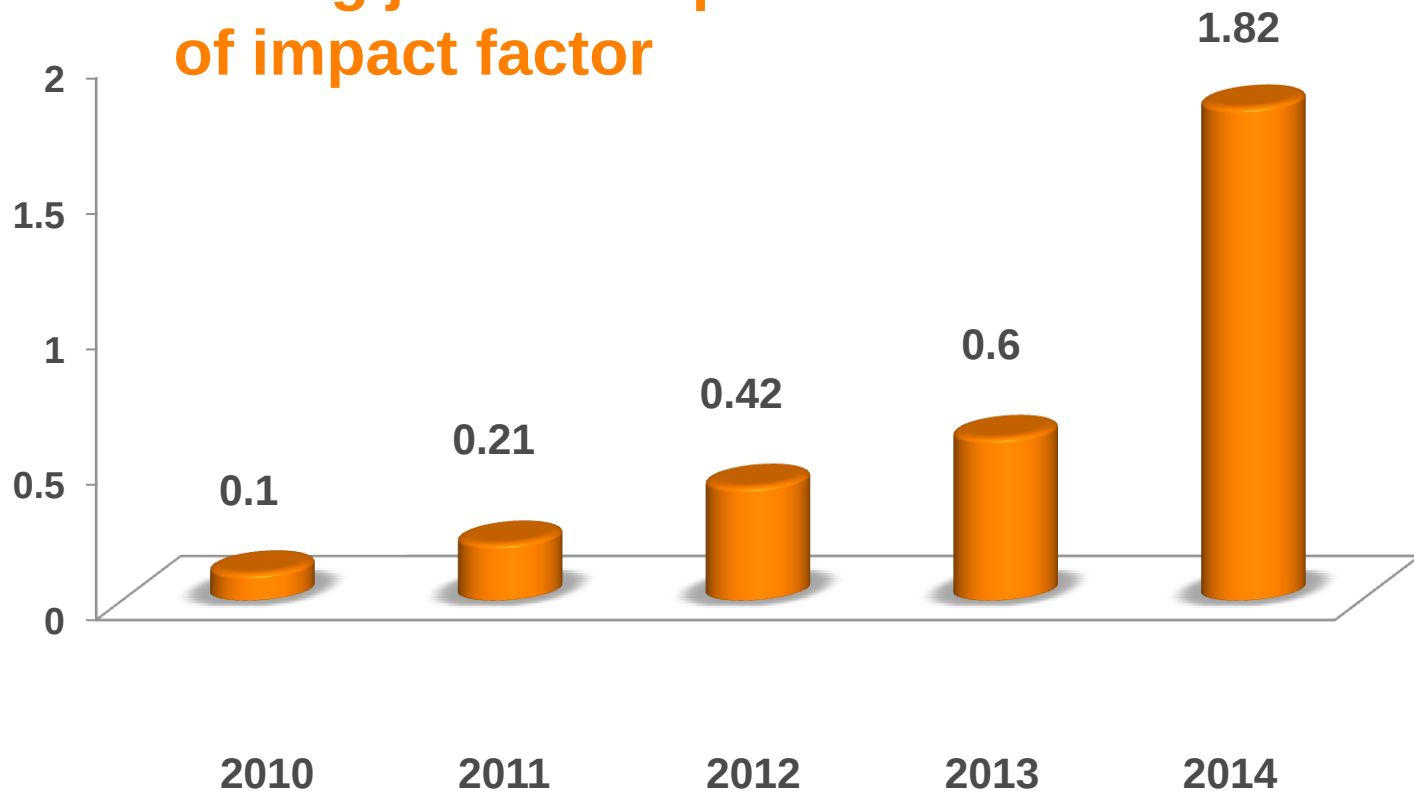

Highlights-2014

- Rising journal impact in terms of article citations

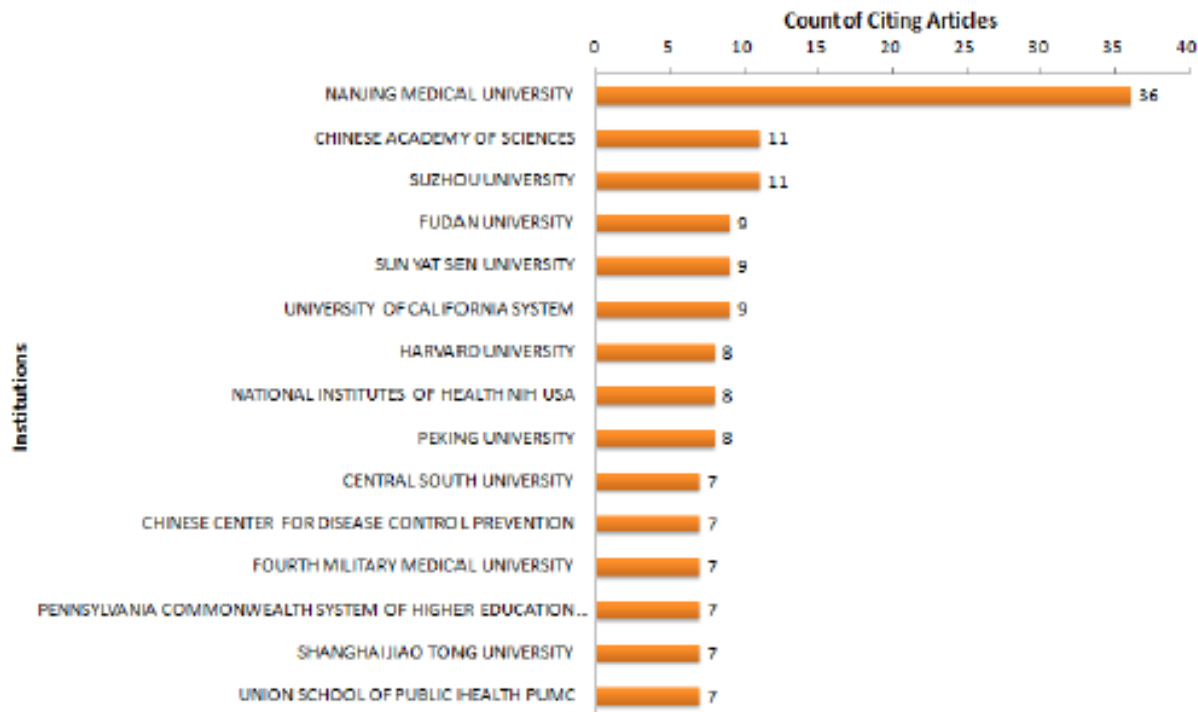

Highlights-2014

Rising journal impact in terms of impact factor

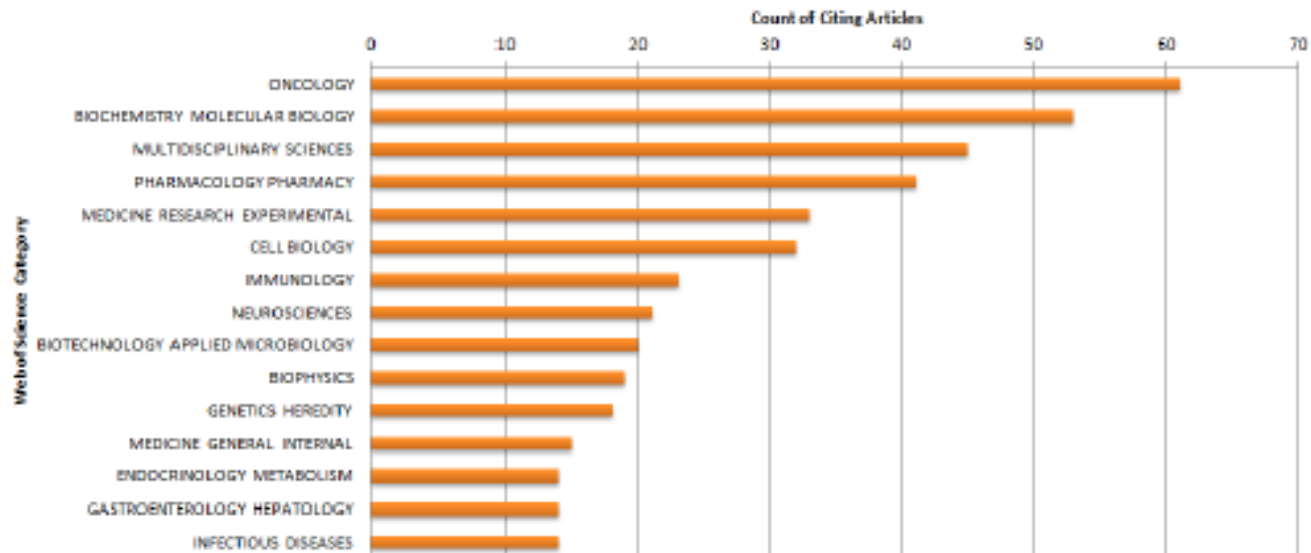

Highlights-2014

- Top 15 institutions citing our journal articles

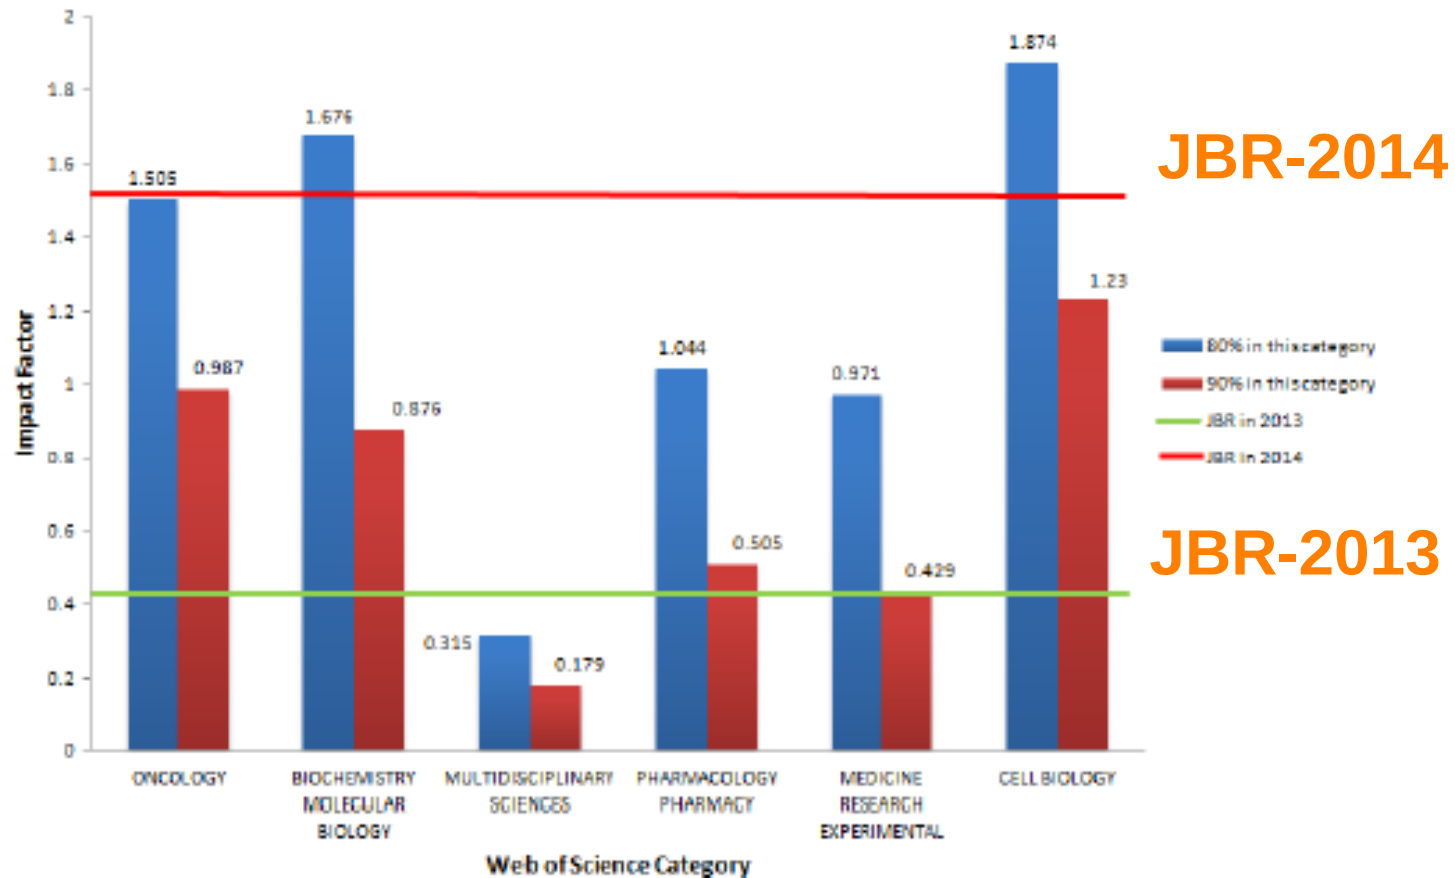

Highlights-2014

- Top 15 categories in Web of Science citing our journal articles

Highlights-2014

- Journal standing >80% in 4 of top 6 citing categories in Web of Science

Highlights-2014

- CSE Annual Meeting, 05/2014

Highlights-2014

- Beijing Meeting, 11/2014

出版局艾司长：我们要建立国家文化安全。首先
是把事情做对，其次才是做美。

Highlights-2014

- Nanjing Meeting, 10/2014

Highlights-2014

- Nanjing Meeting with Nature, 10/2014

Highlights-2014

- Cheongju Meeting, 03/2015

Highlights-2014

- Cheongju Meeting, 03/2015
 - *J Biomed Res*, 2007 (2000)
 - Quarterly journal, English, 2015 (English/Korean prior)
 - Globalization push
 - *PubMed Central*
 - *Elsevier-Scopus*
 - *Nanjing*

Highlights-2014

- Cheongju Meeting, 03/2015

Proposed merger:

- *More diversified sources of authorships*
- *Pooled resources*
- *Academic exchange*
- *Immediate internationalization in globalization push*

Highlights-2014

- Cheongju Meeting, 03/2015

Proposed merger:

- *Lower journal impact (Remedies to be in place)*
- *Shared journal content (30% from the Korean counterpart)*
- *Policy change requires consent of both parties*

Highlights-2014

- Cheongju Meeting, 03/2015

Proposed merger:

- *More diversified sources of authorships*
- *Pooled resources*
- *Academic exchange*
- *Immediate internationalization in globalization push*
- *Lower journal impact (Remedies to be in place)*
- *Shared journal content (30% from the Korean counterpart)*
- *Policy change requires consent of both parties*

Highlights-2014

- Current efforts:
 - Build high impact content.
 - Broaden sources of authorship.
 - Promote journal brand and boost readership.
 - Official designation
 - 中国医师协会
 - *An Official Journal of CMDA*
 - Merger with Korean J Biomed Res
 - *EIC and board recommendation is required for further actions*
 - Editor training
 - *CSE Editor Course*

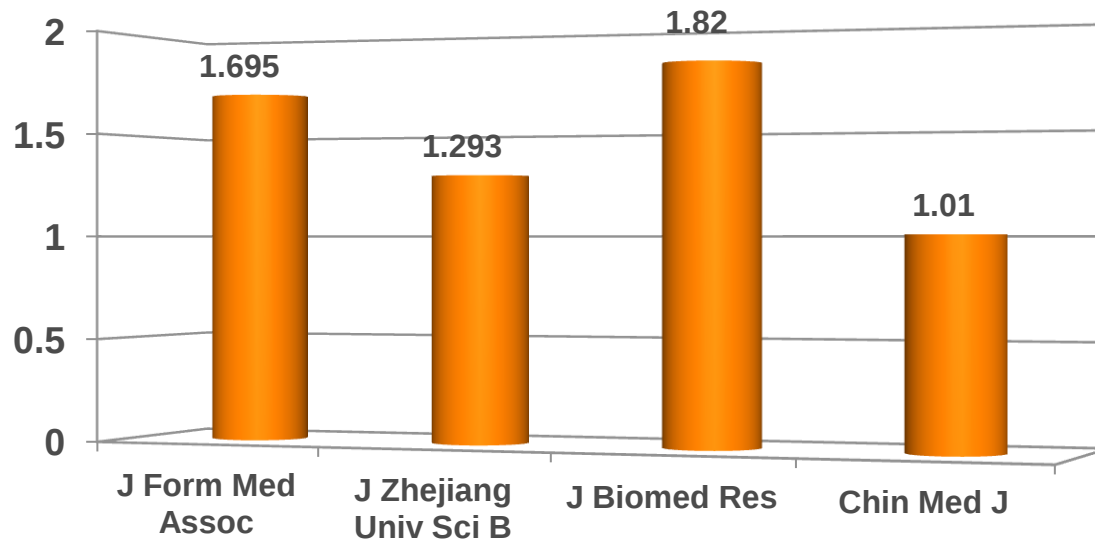

Highlights-2014

- Current efforts:
 - Thomson Reuters meeting, 4/2015
 - Application for indexing by the Science Citation Index, 10/2015.

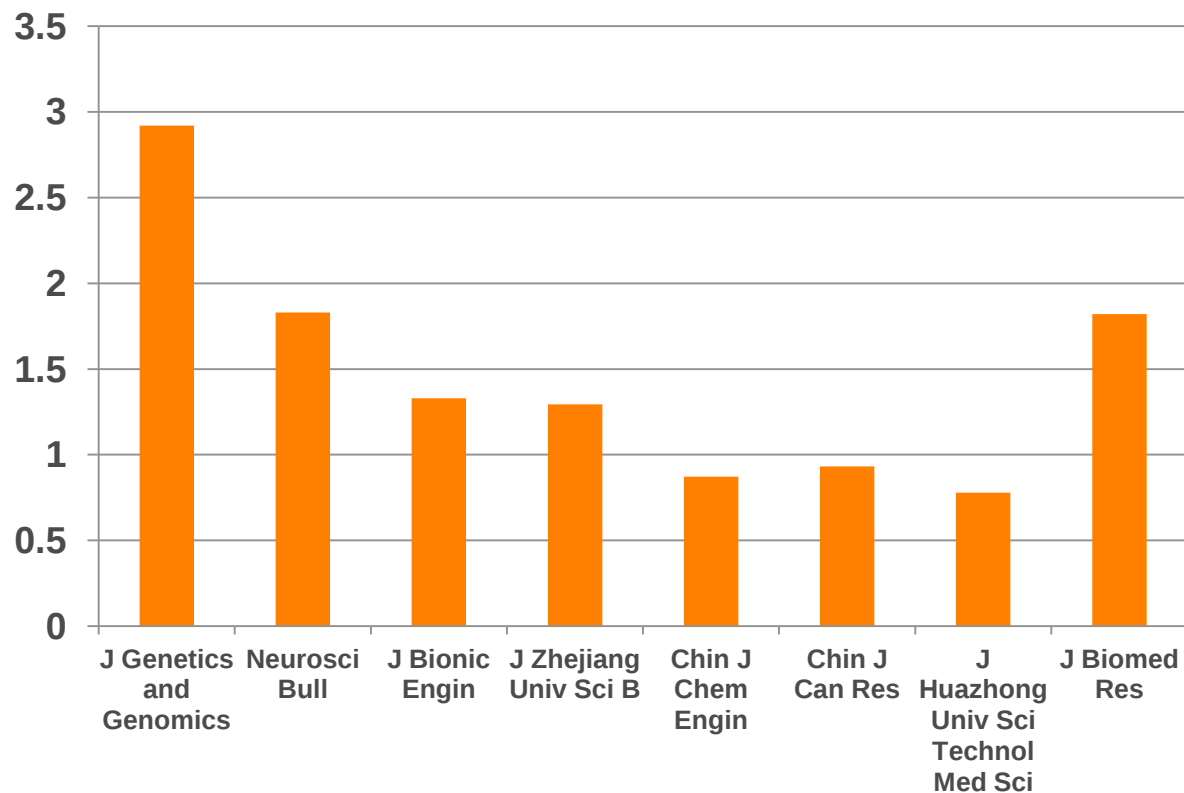

Highlights-2014

- Journal ranking by impact factor in the category of Medicine in China

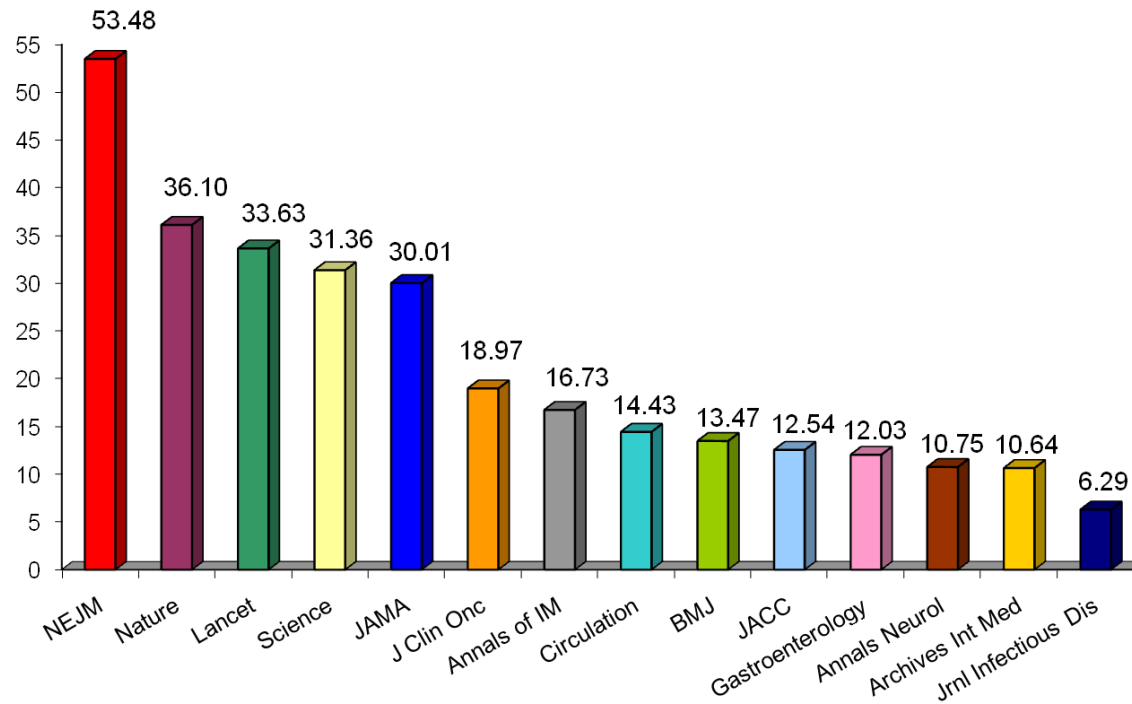

Highlights-2014

- Journal ranking by impact factor in the category of Genetics and Biochemistry in China

Highlights-2014

- We keep our eyes on our final destination

Thank you!
